CONSTRUCTION SITE SECURITY

WORKING WITH YOU TO HELP KEEP YOUR SITE SECURE

Construction sites contain valuable tools, materials and equipment and can become targets for theft, vandalism and trespassing after working hours. Ranger Nationwide can provide on-site officers, patrol coverage and reporting designed around the jobsite schedule.

CONSTRUCTION COVERAGE

-  Uniformed security professionals
-  Foot patrols and perimeter observation
-  Access control and visitor procedures
-  Daily Activity Reports
-  Incident Reports
-  Marked patrol support when assigned

AFTER-HOURS PROTECTION

-  Officers can stand post when crews leave, patrol the site at intervals established by post orders and document activity until workers return.

SITE-SPECIFIC SUPPORT

-  Depending on the contract and site needs, Ranger Nationwide can support site signage, communication equipment, guard-tour documentation and temporary security work areas.

SECURITY SOLUTIONS BUILT AROUND YOUR NEEDS

Ranger Nationwide Security Services, Inc. provides professional security services for businesses, residential communities, construction sites, commercial properties and other clients that need dependable protection. Our goal is to provide responsive service, trained personnel and clear communication tailored to each site.

PROFESSIONAL STANDARDS

Customer service, safety and accountability remain at the center of our operations. Supervisory oversight and documented reporting help support consistent service.

COMPREHENSIVE SERVICE

We can support fixed posts, access control, patrol, fire watch, construction security and site-specific assignments based on client needs.

24-HOUR SUPPORT

Our management and field team can support clients around the clock when service conditions require prompt communication or response.
