FIRE WATCH SERVICES

Professional Fire Watch Security - Texas
When and Where You Need It

When a fire alarm, sprinkler, suppression system, or other life-safety system is impaired, a fire watch may be required. **Ranger Nationwide Security Services, Inc.** provides trained personnel to patrol designated areas, identify visible fire hazards, maintain logs, and report emergencies.

Visible Patrols

Assigned areas checked according to post orders and AHJ direction.

Fire Watch Logs

Written documentation of patrol times, observations, and actions.

Hazard Reporting

Visible hazards and unsafe conditions reported promptly to management.

Emergency Notification

Immediate reporting when smoke, flame, or fire is discovered.

Fire Watch Services Available 24/7
